

## WINCHESTER SCHOLARSHIP FOUNDATION (WSF) APPLICATION FOR ACADEMIC YEAR 2012-2013

### GENERAL INFORMATION AND INSTRUCTIONS - PINK FORM

The Winchester Scholarship Foundation annually awards grants to young people needing assistance in their post-High School education (see eligibility below). If there is a gap between our estimate of a fair share of your resources and the yearly costs of the school or college you choose, the Foundation hopes to assist you based on the funds available from annual donations and endowments. Scholarships have historically ranged from \$1,000 to \$6,000, averaging around \$3,000.

The Foundation will award aid even if a student is receiving scholarships from several other sources, unless it appears that a student has enough resources in combination with parents to meet the costs of the institution chosen. Foundation scholarships frequently are used to reduce inordinate amounts of loans or campus work, provided the WSF award does not cause the institution to lower its award package as a result.

The following are eligible to apply:

1. Students now at Winchester H.S. graduating in June.
2. Winchester residents who will graduate in June from one of the following: a) Northeast Regional Vocational/Technical H.S. or Minuteman Tech (Lexington); b) another secondary school that is an approved Special Education Outside Placement Program under provisions of Chapter 766; or c) any secondary school approved under the "school choice" program in any year in which the Winchester Public Schools are participating in that program (note that this has not happened in recent years).
3. Graduates of Winchester H.S. who are sophomores, juniors, or seniors at college, or who did not go to college directly after high school.
4. Graduates of one of the above schools as described in #2, currently Winchester residents, who are sophomores, juniors, or seniors at college, or who did not go directly to college after graduation.

With the exception of one scholarship per year that is designated for attendance at a Medical School, WSF scholarships are not available for graduate studies.

In very rare situations of need, an exception may be made to criteria # 1-4 above. Awards are not made to those entering their fifth year of college, or for attendance at private preparatory schools.

Because the main criterion in making awards is the demonstrated need of the student, applicants and their parents will be asked to submit financial information in detail. Parents and students are assured that all information will be held in complete confidence. Only the four members of the Scholarship Committee and the Aid Advisor will see the documents that applicants and parents submit. These documents will be destroyed after five years.

All Members of WSF, the Scholarship Committee, and the Aid Advisor contribute their time on a voluntary basis. They expect you, the applicant and parents, to respond by submitting complete and truthful information on time.

**Late submissions of forms or failure of either parent to provide financial information as requested will likely result in denial of aid.**

Graduating seniors will be notified of the Committee's decision by July 1st. Those already in college will be notified in early August. Any student who changes choice of school or receives any previously undisclosed award(s) must notify the Chairperson immediately in writing, disclosing all details. Failure to do so may result in the withholding or withdrawal of an award. The Committee also reserves the right to change an award if a student's expenditures appear inconsistent with his/her declaration of limited means (for example, new car, extensive travel, etc.).

### SEPARATED OR DIVORCED PARENTS

If parents are separated, divorced, or re-married, the parent (and step-parent, if any) with whom the student lives are considered the custodial parent(s) and are responsible for completion of the parents' section of both the WHITE and GREEN application forms. In such situations, an additional WHITE form should be sent to the other parent (the non-custodial parent), who should complete the parents' section starting with item 11 and mail it (with the required tax forms) directly to the Chairperson by the deadline.

**IMPORTANT:** THE FINANCIAL AID OFFICE AT YOUR CHOSEN SCHOOL MUST HAVE THE YELLOW FORM (WITH SECTION A COMPLETED BY YOU) AS SOON AS POSSIBLE IN ORDER TO RETURN IT IN TIME.

**DON'T DELAY!**

**WINCHESTER SCHOLARSHIP FOUNDATION APPLICATION PROCEDURES****PARENTS**

1. It is necessary for parents to file whatever aid forms are requested by the institution(s) the applicant may attend, as the Committee expects to receive information about family ability to pay directly from the institution you select on the YELLOW form (Report by Institution).
2. Complete and submit the PARENTS' (FAMILY) SECTION of the WHITE FORM (Aid Application), questions 10-16, as soon as you have completed your US Form 1040. Attach a signed photocopy of your tax return and a copy of each of your W-2 Forms and return the WHITE FORM to the Chairperson by the deadline indicated on the form.
3. If parents are separated, divorced, re-married, or file separately, each parent should complete the PARENTS' (FAMILY) SECTION of the application (WHITE FORM) with his/her tax forms. The student need only complete the STUDENT'S section of the form completed by the custodial parent with whom he/she lives.
4. If parents are filing for an extension and Form 1040 is not yet available, please submit a signed copy of the previous tax year Form 1040 plus W-2 Forms.
5. Complete section 7 and certify accuracy of statement in section 8 of the GREEN FORM and return to the Chairperson by the deadline indicated on the form.
6. If your family or financial situation changes after you complete the WHITE FORM, please report the circumstances in writing to the Chairperson immediately.

**HIGH SCHOOL STUDENTS**

1. Complete questions 1-9 and 16 of the WHITE FORM (Aid Application) and attach a photocopy of your FAFSA or Student Aid Report, including any corrections you may have made to it. If you filed a Form 1040, attach a copy; also attach copies of any W-2 Forms which you have received. A good hint is to do all this well ahead of time so that your parents may also complete their section and get it back to the Chairperson early, but under no circumstances later than the deadline.
2. Complete the GREEN FORM (Expense/Resource Statement) as soon as you have chosen your college and return it with your parents' signatures as soon as possible. The Chairperson must receive the GREEN FORM by May 15 in order for your aid application to be considered.

Note: If by May 15, you are still undecided, or you have not been accepted by an institution, return the completed GREEN FORM listing the institution you are most likely to attend and its cost. Attach copies of any aid awards already made to you.

3. As soon as you definitely know the institution you will attend, complete your part of the YELLOW FORM (Report by Institution Student Will Attend). Rush the YELLOW FORM to the Aid Officer at that school (unless you have received a "denial letter") and request that it be returned to the Chairperson no later than the deadline. The sooner this happens, the better, since we must have your YELLOW FORM in order for your aid application to be considered. It is your responsibility to get your elected college to return this YELLOW FORM back to us!
4. The Committee will notify you of its decision by July 1st.

**PINK - 4 OF 4****STUDENTS NOW IN COLLEGE**

1. Complete questions 1-9 and 16 of the WHITE FORM (Aid Application) and attach a copy of the FAFSA or Student Aid Report including any corrections you may have made to it. Attach copies of your Tax Return and W-2 Forms. Get the WHITE FORM to your parents early (one WHITE FORM each if your parents are separated or divorced) because they must complete their section and return the entire completed form to the Chairperson **no later than June 30**.
2. Complete and return the GREEN FORM (Expense/Resources Statement), with your parents' signatures, **no later than June 30**.

NOTE: If your G.P.A. is below 2.00, attach a letter that will assist the Committee in justifying further awards.

3. As soon as the full year's grades are available, order an official transcript and ask that it be sent directly to the Chairperson by your Registrar to be received **no later than June 30**. It is your responsibility to see that we receive this transcript on time!
4. Complete your part of the YELLOW FORM (Report by Institution Student Will Attend) and send it to the Aid Officer at the school you plan to attend during the coming year. The YELLOW FORM must be received by the Chairperson **no later than June 30**, and it is your responsibility to insure that this deadline is met.
5. The Committee will notify you of its decision in early August.

**CONCLUSION**

The Committee realizes that it requires much effort for students and parents to prepare the information necessary for consideration of an application. While we would very much like to have unlimited resources to allocate a maximum to each request, the best we can do is try to allocate the resources we have to those who have the greatest demonstrated need. Please keep this in mind when you are answering some of the difficult and personal questions in the WHITE and GREEN FORMS. Also, please remember that complete and neat forms submitted on time make our task easier.

Above all, we want you to know that each application which is received on time will get our close and serious consideration, and that all of your information will be seen only by the four members of the Committee and the volunteer Aid Advisor who assists us.

**GOOD LUCK WITH YOUR APPLICATION!**

B. Aid Officer: Please complete section B (on the reverse side of form) and return to Chairperson of the Foundation prior to the deadline so that this student may be considered for a WSF Scholarship award. Time is of the essence. WSF grants are based on need and reasonable self-help, and range from \$1,000 to \$6,000 with an average award around \$3,000. If a grant is made, this student will bring a confirming notice to the Aid Office to obtain payment directly from WSF.

Return completed Form as soon as institution's aid decision is made to: Patricia Mahon, Chairperson, Winchester Scholarship Committee, 8 Everell Road, Winchester, MA 01890 by regular mail.

**DEADLINE:** Winchester H.S. Seniors: **May 15**; Returning College Students: **June 30**. Incomplete or late YELLOW FORM may result in denial of WSF grant. Please contact the Chairperson ASAP by email at winchesterscholarshipfound@gmail.com if there are unusual circumstances causing deadline to be missed.

*Additional Request:* The Foundation asks that if a change is required in the institutional award as a result of a WSF grant, that loan/work be reduced first. **Any amount of WSF scholarship that would cause a reduction of gift aid already granted is to be returned to the Foundation.**
